

Congratulations to Top 10% Math Percentage Point Growth Traditional Elementary Schools

Please join us in celebrating two Florida Title 1 Elementary Schools improving student performance despite the more rigorous FSA Math. **Manatee County's Blackburn Elementary** and **Volusia County's Friendship Elementary** were among the **Top 10%** for their **Percentage Point Growth (2015 FSA Math % Satisfactory or Higher - 2014 FCAT 2.0 Math % Satisfactory or Higher)**. **Blackburn Elementary's** Percentage Point Growth of **+15** put them in the **Top 1%** among traditional elementary schools. In 2014, **28%** of the students at **Blackburn Elementary** scored Satisfactory or Higher as measured by the FCAT 2.0 Math. As measured in 2015 on the FSA Math, **43%** of the students at **Blackburn Elementary** scored Satisfactory or Higher. **Friendship Elementary** followed closely with a **+09** Percentage Point Growth. In 2014, **53%** of its students scored Satisfactory or Higher as measured by the FCAT 2.0 Math. In 2015 on the FSA Math, **62%** of the students at **Friendship Elementary** scored Satisfactory or Higher.

Once again **Blackburn and Friendship Elementary**, thank you for your significant contributions to increasing student achievement in Math.

Top 10% Percentage Point Growth (2014 FCAT 2.0 Math vs. 2015 FSA Math) (Traditional Elementary Schools)

Percentage Point Growth = 2015 FSA Math (% Satisfactory or Higher)
 – 2014 FCAT 2.0 Math (% Satisfactory or Higher)

Schools Below Partnered with ACALETICS®

State % Rank	District Name	School Name	2014 FCAT 2.0 Math (% Satisfactory or Higher)	2015 FSA Math (% Satisfactory or Higher)	Percentage Point Growth
Top 1%	MANATEE	BLACKBURN ELEMENTARY SCHOOL	28	43	+15
Top 10%	VOLUSIA	FRIENDSHIP ELEMENTARY SCHOOL	53	62	+09

N = 1,646 Elementary Schools
